Ground Broken For New Church

On November 14, 1977 a group of Baptist believers called a meeting to discuss the possibility of forming a new Baptist Church in the Spout Spring community. A need for another church was found, and the group asked Rev. H. C. Crabtree, Jr. to serve as their pastor. A suitable place to worship was found and thus the Freedom Baptist Church was formed.

On November 19, 1978 this church was one year old and much has been accomplished during the first year. Land for the building has been acquired, a nice building fund has been collected and the foundation has been dug. There are 58 members and the church has been voted into the Southern Baptist Association.

Let us hope this church will give a great warmth of love and friendly atmosphere, which is the spirit of Christ. Living the Spirit of Christ in belief and revelance is one way the church can make the impact that needs to be met in the coming years.

The Freedom Baptist Church extends to you an invitation to worship with them.

Bloodmobile Visit on November 14

A very special thanks to all of you who come out to donate your blood on November 14. I am sorry to say we did not reach our quota, but we did especially well in collecting the very much needed O negative type. We had 109 donors to register, 12 deferred, with a total collection of 97 units. 17 units were 0 neg, for which the blood services unit of the Red Cross is very grateful. Due to two persons having this type of blood, having used so much the supply was almost exhausted.

At this visit we had six persons to receive pins as follows: John Hall, 7 gal.; H. Steven Baker, 3 gal.; Broderick C. Cox and Michael Robert Shafter, 2 gal.; Gwendolyn P. Franklin and Joseph Neale Foxwell, 1 gal.

We had three first time donors; Cynthia K. May, Rita Reynolds, and Yvonne M. Foster. Two first time donors in Appomattox County: Alexander C. Macogay, Jr. and David G. Heath.

Again thanks to all those volunteer workers whose time made it possible for us to participate in the Red Cross Blood Program. Many who donate their time cannot donate blood and do this as their part. Our next visit will be on Monday, January 29, and if you are not a regular donor, and are qualified to be, please give some serious thought to starting this most worthwhile habit.
